# Security and Convenience for Any Home

Never Miss A Visitor

Watch over your home and answer the door from your phone, tablet and PC with next-gen security from Ring Video Doorbell 2. Ring sends you notifications when anyone comes to your door, so you can see, hear and speak to visitors from anywhere.

All New Ring Chime

With the all new Ring Chime, you'll hear notifications anywhere in your home when someone presses your doorbell or motion is detected. Plug into standard wall outlets and connect Ring Chime to all your Ring Doorbells and Cameras. Plus, it's new sleek design blends right into any room.

1080HD Video With Live View

Monitor your property in HD video, and check-in on your home at anytime with Live View on-demand video and audio.

Motion-Activated Alerts

Get alerts on your phone, tablet and PC when anyone presses your Doorbell or triggers the built-in motion sensors.

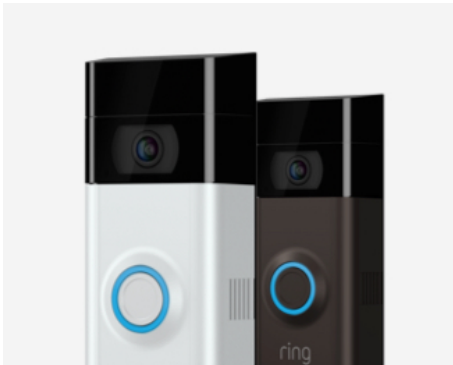

Two-Way Talk

Hear and speak to visitors from your mobile deive using the built-in microphone and speakers with noise cancellation.

Works With Alexa

Connect Ring with select Alexa devices to get security at the sound of your voice and to view live activity at your door anytime.

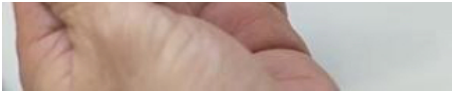

Removable Battery Pack

Charge your Doorbell without moving the device using the quick-release battery pack.

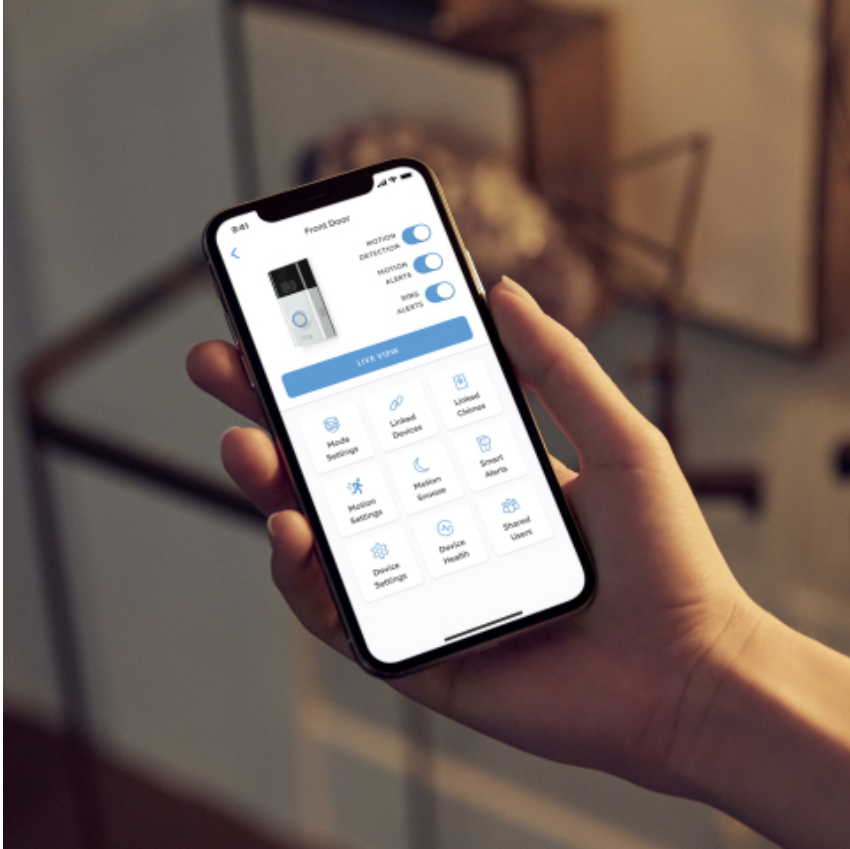

Interchangeable Faceplates

Choose one of two complementary faceplates to match your security to your home.

Custom Motion Sensors

Adjust the sensitivity of your motion sensors to find the ideal setting for your home.

Ring Protect Plans

et even more out of all your Ring doorbells and cameras with Ring Protect, a comprehensive service that lets you review what you missed. See, save, and share videos and photos when you activate video recording and photo capture for \$3/month per device or \$10/month per household. A 30-day free trial is included with every new Ring Doorbell, Camera, and Alarm not covered by an existing Ring Protect Plus Plan.

Works with Alexa

Combine Ring with Alexa for hands-free home monitoring. When anyone presses your Doorbell or triggers Ring's built-in motion sensors, your Echo device will illuminate and make an announcement, so you'll always know when someone's there. And if you have an Echo Show or Echo Spot, you can also see, hear and speak to anyone captured on camera.
