Product Overview

50 dBA: Quietest Dishwasher Brand in the U.S.

24/7 Overflow Protection System helps prevent water leaks

Utility Rack provides a place for those hard to place items

Model #: SHEM3AY52N

Internet #: 305573358

From their legendary quiet performance to their promise of sparkling clean dishes, Bosch dishwashers deliver a lasting quality you've come to trust and expect. A state of the art wash system and flexible loading options makes cleanup easy. Premium materials, combined with exceptional engineering, provide the kind of fit and finish you expect from a Bosch. Discover how Bosch dishwashers are flexible enough to handle whatever life brings.

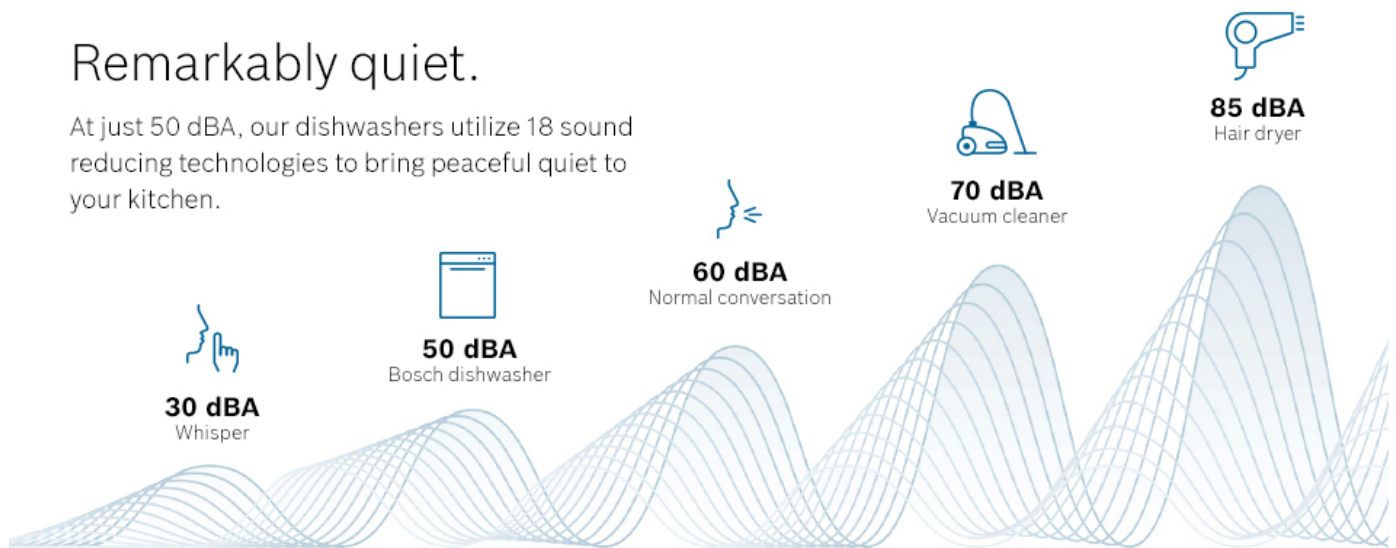

- Front controls offer easy cycle and option selection
- Quiet 50 dBA sound level so your kitchen conversations aren't interrupted
- Holds 14 place settings to accommodate your loading needs for different occasions
- Offers 6 wash cycles and 2 options
- ENERGY STAR qualified for year-round energy savings
- Engineered for a lifetime of use, premium stainless steel tub with polypropylene bottom provides a solid foundation for our exceptional dishwashers
- Specially engineered Detergent Tray optimizes detergent dissolving for perfect results
- Utility rack is a convenient place for hard to place items, freeing up even more space below
- With PrecisionWash, simply start your dishwasher and walk away. Intelligent sensors continually scan and check the progress of dishes throughout the cycle, and powerful, precision spray arms go to work targeting every item of every load
- Sanitize your dishes: The Sanitize feature is available only in the Heavy, Auto, Normal and Half Load cycles. Select one of these cycles, press the "Sanitize Option" button and then press Start to activate the Sanitation features. The sanitize LED will light when sanitation requirements are met. The sanitation option eliminates bacteria and may enhances drying results.

- Anti-fingerprint stainless steel provides the ultimate exterior protection against fingerprints, dirt, and smudges
- 24/7 overflow protection system helps prevent water leaks, even when your dishwasher is off
- EcoSilence motor system has two small brushless motors for quieter operation than a single large motor, and are held in place by rubber suspenders to minimize vibrations
- For dishwashers produced prior to 1/13/20 use power chord SGZPC001UC and for all dishwashers produced after 1/13/20 use power chord SMZPC002UC

100 Series

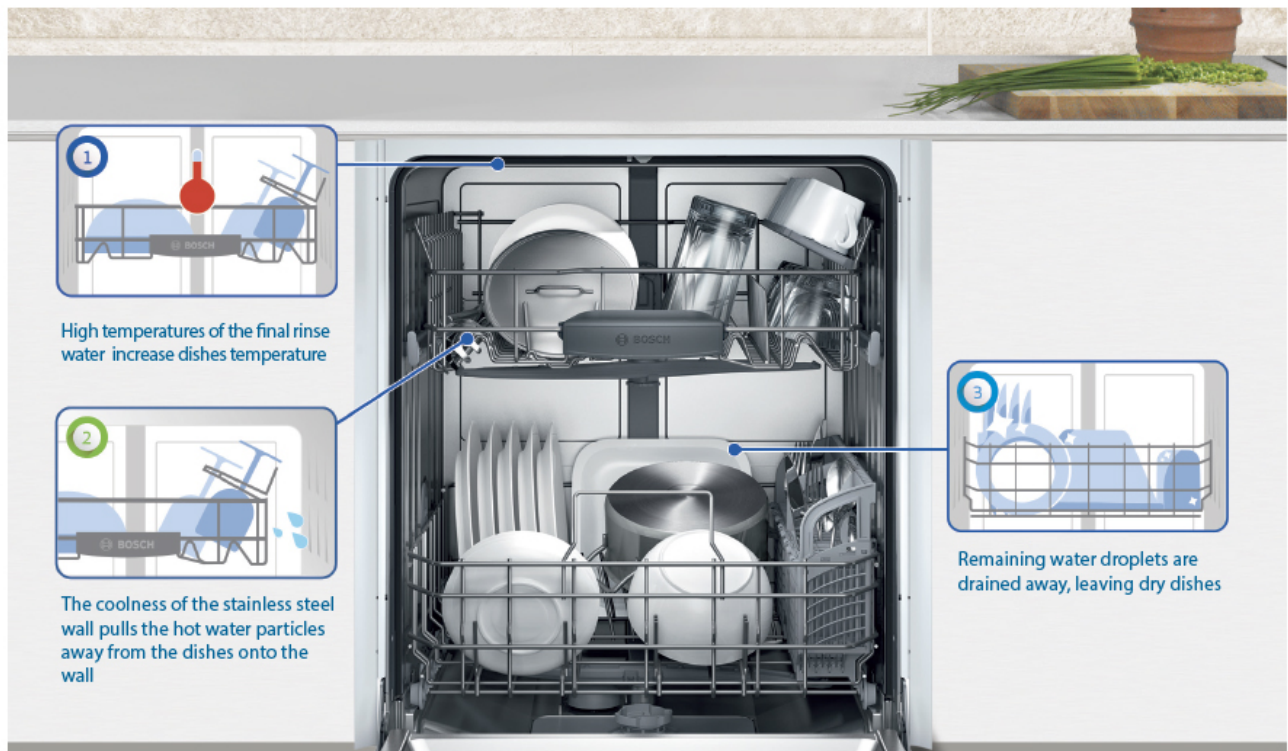

Remarkably quiet.

At just 50 dBA, our dishwashers utilize 18 sound reducing technologies to bring peaceful quiet to your kitchen.

The Power of PureDry™.

Bosch PureDry™ technology safely and effectively dries your dishes with no outside vents or fans. With PureDry™, each cycle ends with an extra hot wash that whisks moisture away from dishes as they cool. And with no heating element, you can safely place plastics anywhere, even the bottom rack. So you can rest assured that your dishes aren't just dry, they're PureDry™.
